pital staff.

In the arrest of Lester Richardson, 11 and Ben Thomson, 14, last night, Detective Robert Chambers believes he has the pproper clue to the identity of a purse-snatching gang of juveniles

The two boys were arrested in a va cant room at Hudson and Twenty fourth streets, and taken to the police station for investigation. When search-ed the officers discovered a purse, containing 70 cents and which was snatched from Miss Cora Hamlin at a local department store last Saturday after noon. The two prisoners insist that they found the purse on Twentyfourth street where it had been dropped by a party of boys who fied at their approach

The Richardson boy lives in this city. The Thompson boy is said to be a comparatively new arrival. The probably will be turned over to the ju venile authorities this afternoon.

Mary Garneau filed an affidavit in court (oday charging that her divorced husband, Lewis J. Garneau, has failed to provide support for the 10-year-old child of the couple as the court had ordered him to do. They were divorced April 27, 1916, and the custody of the child awarded the mother. fendant was ordered to pay \$10 on the first of each month. Mrs. Garneau relates in the affidavit that she is in impecunious circumstances.

several days, the young man made a personal request that the rules be obmatter into his hands today, removed

The officers complimented his spirit, but told him that he probably had bet-ter return the fabric. The rule is only occasionally observed, they told him, by private families and institution except those purely naval or military. The youthful patriot was willing to be agreeable but he was not convinced.

COOK-The funeral services for Mrs. Hannah Cook will be held at 12 clock tomorrow in the Syracuse meeting house. Interment will be in the Syracuse cemetery. The body may be viewed this afternoon at the resi dence in Syracuse and tomorrow morning until the funeral hour.

Box car thieves, who probably have been practicing the same system with success for months, gave way their plan last night and, although they have escaped arrest, their system B shot to pieces

According to reports received at the police station early last night, a Southern Pacific freight train, pulling of of town, was boarded by thieves, and, between Seventh and Twenty-fire street, they unloaded a large quantity of automobile tires and casings Conductor R. Linton and other trainme discovered the loot lying along the right-of-way, suspected thierery and stopped the train. An investigation was made and the raided car was set out that freight clerks might check the

The robbery took place at 8:40 p.m. according to the reports filed, just as Miss Ethel Edwards and Miss Alice extra 3201 was leaving the yards.

the scene shortly after 10 o'clock his crew has resulted in ascertaining the method employed by at least one gang of boxcar robbers. The system is simple, it is said, and except for the rapid deductions of the trainmen might have continued indefinitely. It is stated that the robbers probable spotted their car in the yard and, while the train was pulling out, broke the seal and entered. Upon reaching train had attained a rapid speed, the unloaded their loot and followed it to

The robbers made the mistake last night by selecting a comparatively light evening and becoming too impa-tient to unload, in that the train had only passed Seventeenth street when they began working. The packassalying along the track attracted the steetinion of trainmen and they acted tention of trainmen and they acted upon a quick decision to investigate. It is probable the robbers were within a short distance and spectators of the miscarriage of their plans as the trainmen reloaded the tires and casings and set the car on the house track for forther the car on the house track for forther the car. track for further investigation
